

X.G RUCKSACK

A RUCKSACK MADE FOR MOTORCYCLE, HELMET AND EVERYDAY LIFE

You can get by with a normal rucksack while riding a bike – but it'll never be ideal.

The X.G Rucksack has been crafted with passion and built to perform.

Designed for optimum practicality, this versatile rucksack incorporates a sizeable interior made to fit any motorcycle helmet while an external easy access pocket makes it easy to keep ultra-organised and accommodate all the helmet accessories such as the peak or visor.

The practical size, modern features and allure reminiscent of the past make it the perfect rucksack for long travels or just simple daily life.

DETAILED CRAFTMANSHIP · TECNICAL PERFORMANCE

Zipper Cocoon

The YKK zipper pull is neatly tucked away into its own pocket. This not only protects the zipper from abuse but adds a quality, finished appearance. we pay attention to the smallest details so you don't have to.

The Signature Details

The careful leather application was used to transport the X.G100 signature to the front pocket of the X.G rucksack, a personalized note from the designers.

An exclusively developed detail providing a refined contrast against the waxed cotton canvas and a hidden reflective panel for extra safety when nigh riding.

Simplicity

Made of super resistant, waterproof-waxed canvas, the bag interior is highlighted with a tweed pattern fabric, calling to match our motorcycle and outfits.

The smart padded back panel and straps allow you to ride in comfort without feeling restricted.

A TRULY MOTORCYCLE RUCKSACK

Well-suited to long journeys on the road or simple rides around town, X.G Rucksack features a spacious interior compartment and pockets ideal for storing your helmet, its accessories and essentials.

Its 23-litre capacity fitting most motorcycle helmets.

The easy reach central pocket can hold both visor and peak or essentials along two areas divided by an elastic band.

MULTI-USE AS MOTORCYCLE LUGGAGE

X.G Rucksack is prepared to be used has motorcycle luggage.

A kit of heavy duty tie-down straps come included, perfect for securing the rucksack to your motorcycle both as a tail bag or a saddle bag style.

PROTECTION AGAINST RAIN & DIRT

A versatile raincover has been specially designed for keeping the X.G Rucksack dry in heavy rain days. Made from rip-resistant polyester fabric, compact and stored in the back pocket; full circumference veleros keeps the cover cinched tight.

The rain cover also protects the rucksack from getting dirty, and you can easily wash it later.

A stunning tuscan sun yellow color was selected to emit both elegance and visibility on the road.
